

## ASPEN LIPID CONFERENCE

August 17-20, 1996

*Lipids, Lipoproteins and Obesity*

The 1996 Aspen Lipid Conference will be held in ~~Aspen, Colorado, August 17-20, 1996~~ at the ~~Given Biomedical Institute of the University of Colorado School of Medicine~~. The Conference, *Lipids, Lipoproteins and Obesity*, will be chaired jointly by Michael C. Schotz, University of California at Los Angeles School of Medicine, and Helen H. Hobbs, University of Texas Southwestern Medical Center.

There will be four major sessions:

1. **Adipocyte Metabolism and Differentiation** - Bruce Spiegelman, Jeffrey Flier, Ronald Evans, Lou Tartaglia, Eleftheria Maratos-Flier, Harvey Lodish
2. **Intracellular Regulation of Lipid Metabolism** - Michael Brown, Robert Farese, Richard Anderson
3. **Transport and Metabolism of Lipid** - Roger Davis, Stephen Young, Rudolf Zechner, Richard Gregg
4. **Lipoprotein Receptors** - Monty Kreiger, Christopher Glass, Jack Oram

Senior Investigators may apply for admission to the conference by sending a letter of interest. A \$350 registration fee will be payable following acceptance. Industry representatives are invited to call the Conference Coordinator for registration details.

Limited funds are available to help defray expenses of students, research fellows, postdoctoral trainees and junior faculty. To apply for support, please provide a curriculum vitae and bibliography, a description of research activities, and an abstract (single page, typed, 300 word limit) to be considered for poster presentation.

All participants are invited to submit abstracts for poster presentation. The number of conference participants is limited; early application is advised. Send applications to:

Mary Sheron, Conference Coordinator  
Aspen Lipid Conference  
4200 E. 9th Avenue, Box B145  
Denver, CO 80262
